... Action!

Shakespeare once said, "All the world's a stage and all the people it's players." In trying to decide a theme for the yearbook, the staff realized that our four years at Pope John have been more than just an academic experience but also a time for all of us to find out who we are. Our years at Pope John have become a "dress rehearsal" for the play called "life".

It is time for all of us to step into the light and assume the role we have practiced for so long. Our roles will lead us to different stages; nevertheless, we will all find our place and shine. The show is about to begin. Are you ready?

Cheerleading

Led by senior cheerleaders Melissa Capelotti, Melissa Morgan, and Carrie Simonelli, the varsity football cheering squad maintained tremendous energy and enthusiasm despite a long, tough season. Despite the fact that they did not compete, the team put in hours of hard work and strenuous training to add that extra spark to each and every football game. In a time when spirits were low, they helped all the players on the football team stay motivated.

Still, they managed to keep their spirits up and even posted a few wins. The league all-stars were Dee Bozzotto, Lisa Lancaster, and Casey McBride. The team looks optimistically to the future as they know that over the next few years, they will continue to grow and improve.

Football

The 1994 football season was a tough one this year. However, the football team stuck together during the grueling season of disappointments. At each and every game they gave their best. The All-stars were Jeremy Goldberg and Jason Kowalsky, Because of the youth of the team this year, the team hopes to do better next year.

The most poignant moment of the season came in the game against Chelsea. Immediately after scoring a goal, the players knelt and prayed in memory of coach Rob DiLoretto's son, Jason, who recently passed away. The character and thoughtfulness of the team was clear.

Boys' Basketball

Season highlights for the team included Goldberg's high scores of 27 and 35 points in the Wilmington Christmas Tourney, and the retirement of Dave Sacco's #22. Goldberg was also the League All-Star. The team has a promising future with sophomore Joe Todisco, and freshman Jared Baker, who played well this season.

Cheerleading

It was a season of memories for this year's hockey cheerleading team. Under Captain Tasha Messina and Co-captains Carrie Simonelli and Jen Edwards, they cheered their boys to big wins and even bigger upsets. Without the pressure of competition, the girls had a season of fun and laughter and gained the respect of the entire school. The younger members will miss the seniors, but look forward to more successful and memorable seasons.

The Basketball Cheerleaders also had a successful season. They will soon compete in competitions and should take home a trophy. The cheerleaders have worked extremely hard on their routine and are sure of a win.

Hockey

It was a year of excitement, determination, and success for this season's Tiger hockey team. Even after an early season injury to Captain Marc Buckley, the Tigers were able to remain one of the leaders of the Commonwealth division. Under Coach Connors and Captain Scott Belmonte, they were even able to defeat the once unstoppable Northeast team in a late season thriller. With all its accomplishments, Pope John Hockey remains one of the best and most successful teams in PJH Athletics.
